GOVERNMENT OF ODISHA

REPORT ON THE IMPORTANT ACTIVITIES OF HOME DEPARTMENT FOR THE YEAR, 2011-2012

HOME DEPARTMENT
A REPORT ON IMPORTANT ACTIVITIES OF HOME DEPARTMENT: 2011-2012.

INTRODUCTION:

Home Department plays a key role in State Administration as it is the nodal department looking after maintenance of Internal security, Law and Order, Public Order and prevention and prosecution of criminals. It is administrative department for Police, Prosecution, Prisons, Fire Service and auxiliary security wings of Home Guard and Civil Defence. This Department has vital role on coordinating and synergising the functioning of these wings, it is the nodal Department so far as State Secretariat Service is concerned. The administration of various cadres of the State Secretariat service, like Common Cadre of Assistant Section Officers, Typists, Stenographers / Personal Assistants/Private Secretaries and O.S.S. Officers is assigned to Home Department. It is closely connected with the conduct of elections to Parliament, and State Legislatures. It keeps a close liaison with Defence Services for Civil-Military Co-operation and for setting up of Defence Projects in the State. The responsibility of Home Department is also to properly maintain the protocol and to oversee management of State Guest House at Bhubaneswar, Odisha Bhawan and Odisha Niwas at New-Delhi, Odisha Bhawan at Mumbai and Utkal Bhawan at Kolkata.

1. POLICE ADMINISTRATION:

1.1 LAW AND ORDER:

The overall law and order situation in the State for the year -2011 remained by and large peaceful.

Political Agitation:

During the period, members of opposition political parties remained busy in organizing party workers conferences and other forms of public contact programmes. During the year different opposition political parties and their frontal organizations organized rallies, public meetings, gherao, rasta roko, rail roko, hunger strike, dharana, protest meetings, etc. for declaring entire Odisha State as drought affected, special package to drought / flood affected farmers, etc.

Apart from above, apathetic attitude of the Central Government towards Odisha, agitation against establishment of POSCO Project, growing corruption at high places, spiraling price rise of essential commodities, formation of Koshal State, issue of land patta to landless, demand for stopping Green Hunt
operation, prohibition on sale of liquor, restoration of tribal land from the occupation of non-tribal etc. were other major issues of agitation.

Communal:

Communal amity was maintained in the State during the period. There has been no major communal incident in the State during the year. Major fairs and festivals of different communities were observed peacefully with religious fervor and grandeur due to police alertness. 17 Hindu-Muslim and 04 Hindu-Christian tensions were reported in the State, due to localized issues. Minor irritants like affrays between youths of different religious groups, conversion, re-conversion, cow slaughter, illegal transportation of cattle, kidnapping/elopement of girls of other communities and land related disputes involving different communities were handled firmly and tactfully.

In order to maintain communal harmony, the Government have framed “A State level co-ordination committee on communal harmony” to review the communal situation in the state periodically and take steps as per decision taken in the committee. A “Manual” containing instructions to prevent and control communal disturbances and to promote communal harmony has been prepared and issued to the concerned law and order authorities to deal with communal situations.

Labour and Services:

During the year, no state wide agitational activities by labour and service organizations were reported. However, employees of some industrial units carried out their protest in various forms demanding re-opening of factory, re-instatement of retrenched employees, regularization of contract labourers, payment of arrear dues, etc. Some academic, non-academic and other service related demands have been considered sympathetically for welfare of the employees.

Industrial Climate:

Government of Odisha has been working towards sustained development of the State through rapid industrialization. A number of memoranda of understanding (MOU) have been signed with private companies to set-up metal-based industries in the State. As a result, a number of large and small scale industries have been established and some are going to be established.

Barring a few incidents that cropped up due to land acquisition, the industrial scenario in the State remained peaceful. Various critical issues like protection of tribal rights, land acquisition, rehabilitation, preservation of
eco-system, protection of forest land and jobs for locals emerged during the process which led to law and order problem. Agitations arising out of setting up of big industries are being fuelled by different NGOs and opposition political parties creating law and order situations. The Maoist cadres are also trying to penetrate the tribal assertive movements, particularly on the issues of displacement due to industrialization and trying to militarise the tribal youth by systematically indoctrinating them in Ultra Leftist ideology. All these agitations have been tackled with forbearance for which no major incident took place. Besides, Government is committed to implementation of comprehensive rehabilitation policy which is pro-people to bring about a congenial industrial atmosphere.

Student:

There was no significant State-wide Student unrest noticed. Election of Student unions held on September 29, 2011 passed off peacefully barring a few incidents of pre/post poll violence in some colleges of the state. Further, incidents of student unrest surfaced on various localized issues have been defused due to timely intervention of local Administration.

Left Wing Extremist Activities:

There was an improvement in the situation in many areas during the year 2011 in the endeavour to combat left wing extremist menace in the State. As many as 23 Naxalites have been neutralised in police action, 146 have been arrested and 50 have surrendered. Besides, 127 weapons, 258 IEDs and large quantity of explosives and ammunition were recovered during the period. A number of camps/ hideouts of Maoists have been raided and destroyed. The impact of pro-active initiatives was discernible in many areas where violence has come down visibly. More importantly, not a single major organized Naxal attack on security forces took place during the year. The lawless activities of Chasi Mulia Adivasi Sangha (NL), an offshoot of CPI (Maoist), could be firmly brought under control due to pro-active security initiatives.

State Government in its effort to firmly combat Left Wing Extremist menace, took a wide-range of pro-active steps during the year 2011. The strength of Special Operations Group (SOG) was considerably enhanced. A new SOG Hub and Training Centre has been sanctioned to be set up at Koraput. The State Government also instituted a “State Level Gallantry Award” to
encourage the police personnel exhibiting exemplary acts of courage and gallantry in anti-naxalite operations. State Government also approved Odisha Police Service Recruitment Rules, 2011 for direct recruitment of young officers from the State in the rank of Deputy Superintendent of Police.

Sri R Vineel Krishna, IAS, Collector, Malkangiri was abducted by Maoists during his field visit on 16th February, 2011 along with Junior Engineer, Sri Pabitra Mohan Majhi. After successful negotiations with their mediators the Junior Engineer was released on 23.02.2011 and the collector was released on 24.02.2011.

Revised Surrender and Rehabilitation Policy

The State Government has formulated a revised Surrender and Rehabilitation Policy to encourage more Maoist cadres to surrender, by making the rehabilitation package more attractive and offering more employment and entrepreneurial opportunities. This benefit will be applicable to all the Maoists who have surrendered since 26.08.2009. This package has a combination of monetary and other benefits like cash assistance up to Rs. 2.5 lakhs, educational grant for pursuing studies, stipend for vocational training, incentive of Rs. 25,000 for marriage, one house under Indira Awas Yojana(IAY) and 4 decimal of homestead land, which will enable him to lead a respectable living. This will provide further incentive to the Maoist militants to shun the path of violence and join the mainstream of the society.

MISCELLANEOUS:
Caste tension:-

Ill feeling between Marathi (Eragola) and Odia Community people at Kodala led to clash between them on 13.7.2011. During the incident, two local youths succumbed to their injuries. Protesting this, local irate mob resorted to rasta roko on different roads, suddenly turned violent and started attacking police force causing serious injuries. In order to quell the violent mob and restore peace, police had to resort to firing. On this issue, District Administration has been in the process of making a permanent solution.

Due to prompt and timely dissemination of advance intelligence input by State Special Branch to district S.Ps and all concerned in time, certain untoward incidents have been averted.

The Judicial Education gains momentum while there is stress laid on knowledge in substantive and Procedural Law and Judges should be trained on knowledge in law, skill, attitude and ethics beside other matters including Information Technology for comprehensive capacity building. Although the pass-outs of the law are Judges but the Judicial Education imparts teaching in various aspects to improve the Justice Delivery System. Considering the necessity of Judicial Education to be imparted to Judicial Officers of the State of Odisha, the decision to open a Judicial Academy was resolved by High Court of Odisha on 30.03.2001. The decision was implemented by the State Government by establishment of a permanent Judicial Academy for Odisha at the old building of Board of Revenue, Cuttack. The main objective of the Academy is to develop and to deliver educational programmes in order to make them available to judiciary as far as possible, further to strengthen value based society. The Academy not only caters to the need to the Judicial Officers but also looks-after the training of Public Prosecutors. Hon’ble the Chief Justice is the Patron-in-Chief of this Academy. It is under the administrative control of the Judicial Academy & Training Committee duly constituted by Hon’ble the Chief Justice of Odisha. Academy is one of the Heads of Department under the Home Department of State Government.

#### ELECTION:

The bye-election for 73-Umerkote (ST) Assembly Constituency was held on 30.11.2011 (Wednesday) for filling up the vacancy caused due to sad demise of Jagabandhu Majhi, sitting M.L.A. on 24.09.2011. The bye-election was conducted peacefully.

With a view to maximize the EPIC photo coverage in the electoral rolls a campaign was undertaken during the period 10\textsuperscript{th} March-10\textsuperscript{th} June,2011 in all the Assembly Constituencies, where photo coverage was less than 60% for collection/capturing of photographs of the residual electors. Consequent upon this programme, photo coverage in the roll was enhanced from 84.63% to 86.07% and EPIC coverage from 88.85% to 90.14%.

Another programme was taken up during the period from 1\textsuperscript{st} July to 12\textsuperscript{th} July, 2011 to issue duplicate EPICs in favour of the electors whose EPICs were lost/defective/damaged. In this programme a total 9,59,616 no. of duplicate EPICs have been issued in favour of the electors. 2\textsuperscript{nd}
Supplement to the Electoral Roll, 2011 has been brought out after effecting necessary addition, deletion and correction in the electoral roll.

As per the instruction of the Election Commission of India, KIT bags have been supplied to all the 31,617 BLOs and Handbook of Electoral Registration Officers have been supplied to all the District Election Officers and EROs-cum-Sub-Collectors of the State. A vigorous training programme for the BLOs and supervisory officers was taken up at different centres of the State on the eve of Special Summary Revision of Electoral Roll, 2012.

As per the schedule declared by Election Commission of India, Special Summary Revision of Electoral Roll, 2012 in all the 147 ACs of the State w.r.t. 01.01.2012 as the qualifying date, has been started with draft publication of rolls on 30.10.2011. Multimedia campaigns have been taken up for wide publicity of the revision programme. As per the report received so far, around 14 lakh applications for inclusion of names in the roll have been received throughout the state. Final publication of Electoral Rolls will be made on 05.01.2012.

The Election Commission of India has decided to observe and celebrate January 25 as the National Voters Day every year, with the objective to increase enrollment of voters by using the occasion and thereby to enhance the quality of electoral process in the country. Accordingly, the next National Voters Day will be celebrated on 25th January, 2012 at Polling Station level, District level and State level. On this occasion the National Voter Day pledge would be administered to all citizen present, Electors Photo Identity Cards (EPICs) and badges would be distributed to the newly registered voters.

CHAPTER-XI

11. DIRECTORATE OF PUBLIC PROSECUTIONS:

The Directorate of Public Prosecutions, Odisha, was created in the year 1982 to monitor the performance of the prosecution system. Since it became difficult to improve the performance of the prosecutors appointed on contractual basis, the Government introduced the System of cadre Prosecutors on test basis in the year 2001 along with the contractual appointees. It is found that the performance of Cadre Prosecutors is comparatively better than the prosecutors appointed on contractual basis. A High Level Committee under the chairmanship of Chief Secretary have decided to encadre the entire system of Prosecution, which would help a long way in the administration of criminal justice mechanism. Recruitment of 189 Assistant Public Prosecutors have been taken up through OPSC. To improve the performance of cadre prosecutors and to develop a full proof prosecution system and alternatively to fix up the accountability following steps are taken.

i. Imparting training to the Prosecutors and Review of their performance.

ii. Guidelines imparted to improve the functioning of day to day prosecution system.

iii. To provide infrastructure to the prosecutor to improve their performance including computerization of their system.

iv. To monitor the prosecution of important cases of the state and to co-ordinate with the investigating agencies to remove defects in the investigation and to improve the standard of prosecution.

v. For prompt submission of proposal for filing appeal/revision.

vi. Instructions to all prosecutors to prepare plan of prosecution with details of evidence required to be adduced in the court, to rectify the defects in investigation, where it is possible, and to submit a written note of argument in each case.
