DECISIONS OF GOVERNMENT OF ORISSA

1. Revision of Compassionate Grant allowed to State Government Employees:

   The sanction of Compassionate Grant is governed by the “Orissa Civil Services (Compassionate Grant) Rules, 1964”. In accordance with the provisions of the said rules, the family of a Government servant shall be eligible to get Compassionate Grant in the event of death a Government servant while on duty provided that the deceased must have meritorious record of service and his death must have been caused or accelerated on account of special devotion to duty at the risk of his health and life and the Government servant must have died by accident or violence while on duty. In case where a Government servant sustains an injury while on duty, he will also be eligible to the Compassionate Grant under the rules subject to production of a certificate from the Medical Authority to the effect that the injury has resulted in the permanent loss of an eye or limb or the injury is of a more serious nature. Rule 5(1) of the said Rules read with the subsequent amendment made in the Notification No.45050 dated 18.10.73, illustrates that the amount of Compassionate Grant shall not ordinarily exceed 12 months pay of the Government servant concerned. But in extreme hard cases, a higher amount subject to a maximum limit of Rs.15,000/- may be sanctioned to the Government servant/family of deceased Government servant as the case may be.

2. Some Administrative Departments keeping in view the special risk involved in the duty of some of their employees have issued orders with concurrence of Finance Department to provided (1) Compassionate Grant amounting to Rs.50,000/-; (2) Special Family pension at the rate of the last pay drawn by the deceased personnel; and (3) employment to one son/daughter of the deceased Government employees. The following table indicates these Departments and the employees enjoying the above benefits:
